Parents and Students:

This is to inform you that your child's teachers will be using email for class assignments this year and in future years as long as your child is enrolled in Dare County Schools. Since school-assigned, individual email accounts are a new option for Dare County Schools' Students, your approval is necessary for your child to participate.

The use of email by individual students is not specifically included in the Dare County Schools Information Technology Resource Use regulation which you approved earlier. This form serves as an addendum to your earlier approval of the **Dare County Schools - Acceptable Use of the Internet**.

With your permission, your student will be assigned his or her own username and will be allowed to send and receive email. All district policies are still in effect, and apply, as indicated in the Information Technology Resource Use Policy. Every attempt has been made to provide safe, secured student email, however it is still the responsibility of users to follow all school rules, as well as teacher directions and procedures and to report any inappropriate use or material to school personnel.

As explained in the Acceptable Use Regulation, the use of school technology, networks, and Internet services does not create any expectation of privacy. Dare County Schools reserves the right to search and/or monitor any information, created, accessed, sent, received, and/or stored in any format by students on school equipment.

By signing below you are indicating that you understand and agree to follow the district and school policies as detailed above and in board policies 3225/7320 and their supporting regulations. To read the entire policy, you may contact your school office or look online at:
